FLOOR DEBATE

April 24, 2001 LB 543

SENATOR CUDABACK: One minute.

SENATOR BEUTLER: ...let me tell you, you will have constituents all over the place on your case making reductions at this late hour on this year's budget on this scale. So I would recommend that you not do that. We are not in a situation as we had in the mid-1980s when we had the farm crisis and we didn't have another year or two to even things out. I turned it in with my name on it, but I want you to understand this was a committee decision. I hope there is a responsible vote on this. I'm beginning to get somewhat concerned. I ask you if you are thinking about this to look at page 22 and tell me where we would start to cut \$60 million out of page 22, starting at the top. And I want you to look down and I've named the most biggest, the largest ones. Now I admit
